Healthcare Assistant – Blood Donation

As a Healthcare Assistant in Blood Donation you'll be a key member of our team, playing a vital role in saving and improving lives. Welcoming donors, assessing donors' eligibility to donate, learning how to take a blood donation and looking after our donors' well-being while they're with us – you'll be doing highly rewarding, important work as part of a great team.

You don't need any specific qualifications to join us, just experience of working with people and a passion for delivering a great customer service.

Sister / Charge Nurse

As one of our nurses, you'll lead and motivate a team of Healthcare Assistants, and use your clinical judgement to make safe decisions about our donors. Running blood donation sessions and making sure all our donors have a great experience with us – you'll be key to the success of the vital work we do.

You'll need to be a Registered Nurse, a confident and supportive leader, and committed to delivering care of the highest quality.

What's on offer

Whatever your background, we'll get you up to speed with full training. You'll also have all the support you need to learn, grow and progress quickly in your role - and to build a rewarding career with us.

What's more, we also offer great benefits including NHS Pension, generous annual leave and access to discounts on a wide range of day-to-day products and services.

Find out more - and apply now

If this sounds like your type of career opportunity, we'd love to hear from you. Or, if you know someone who would be interested, we'd like to meet them too.
