

AFC FACTSHEET

UNSOCIAL HOURS PAYMENTS OVER THE CHRISTMAS AND NEW YEAR PERIOD 2018/19

This factsheet has been produced in order to help staff understand what unsocial hours enhancements can be claimed over the Christmas and New Year period 2018/2019.

Summary of rules for payment for working 'outside normal hours' (Section 2 of AfC Handbook and the NHSBT Unsocial Hours Remuneration Collective) and overtime (Section 3 of AfC Handbook).

Terms used:

Enhancements - these refer to the enhanced rate of pay due in addition to basic pay. Often referred to as 'unsocial hours payments'.

Standard Hours - these are hours worked up to full time hours (37.5hours) and paid at standard hours/plain time rates.

Overtime - hours worked **ABOVE** full-time (37.5 hours).

All references refer to the AfC Terms and Conditions Handbook.

THE FOLLOWING RULES AND DEFINITIONS APPLY TO ALL GROUPS OF STAFF EXCEPT THOSE WHO WORK 24/7

- Unsocial hours are defined as 8pm - 6am weekdays, any hours worked on Saturdays and Sundays.
- No new local agreements may be entered into.
- No other payments may be agreed.

There are two types of payments due for Public Holidays - these are defined in a) and b) below. The payments made for each of these vary by staff group and these are defined on the following pages. It is important to ensure that the rules for the correct staff group are used in determining the payments due, these cannot be 'mixed and matched'.

THE FOLLOWING RULES AND DEFINITIONS APPLY TO ALL GROUPS OF STAFF

- a) Enhancement payments under Section 2 - working on Public Holidays as part of 'standard hours' (standard hours are the full-time hours for the individual, i.e. 37.5 hours)**

Working on a Public Holiday is classified as within standard [full-time] hours when it is worked on a normal working day, i.e. the hours contribute to the full-time hours for that

week (or fortnight for some blood donation staff). This means that the basic hours for that day are included in the annual salary and bank holiday enhancement payments are due for the hours actually worked.

For part-time staff basic hours for that day are included in annual salary when the hours worked are **within** the part-time contracted hours. Hours in **excess** of contract but less than full-time, will be paid as excess standard [plain time] hours plus the bank holiday enhancement due for hours actually worked.

b) Overtime payments under Section 3 - Overtime

These are hours worked above full-time (i.e. above 37.5 hours per week).

c) Time off in Lieu (TOIL)

Please see annex 1, Bank Holiday Pay and TOIL flow chart

1) STAFF IN RECEIPT OF NHSBT PREDICTABLE ENHANCEMENTS
