Training

To book any Health, Safety and Wellbeing training course please complete the form on People First.

Datix Downtime – Advance Warning

The system will not be available on Tuesday 31st March, it is being updated to reflect the new directorate structure.

If you have any queries please submit via HR Direct

Wellbeing

Upcoming Health and Wellbeing events to look out for:

- No Smoking Day 11th March
- Whole Self Day 18th March
- Stress Awareness Month April 2020

Top 3 Incident Categories:

1. Manual Handling injury
2. Slip trip Fall on level
3. Hit by moving object

Please ensure that we look out for and protect each other from harm, follow our training, maintain good posture when moving and handling, mop up spills and keep walkways clear, don't stand things up that may easily fall over and check things before we move them so that they do not cause other items to fall over.

It is 25 days since last HSE Reported accident
