

Facilitated by ODT Professional Development Team

'Educate, Develop, Empower'

Mentorship Course for Nurses

This is a new course for **all** NHSBT nurses who would like to learn more about mentorship for further development or a refresher. A classroom based course; using PowerPoint, group work, flipcharts, simulation and practice sharing. The aim of the course is to provide the essential knowledge, skills and confidence for undertaking a mentorship role, and a clear organizational framework for managing the challenges.

2019 Dates: 15th Jan, 4th April, 18th July, 2nd Oct

Location: Birmingham New Street

Highlights

- ◆ Create an effective learning environment
- ◆ Know your role and responsibilities
- ◆ How do we learn?
- ◆ Understanding competency assessment
